Ox Barn Bar Tenders

Thyme is “a village within a village” set within 150 acres of Cotswold countryside, comprising hotel bedrooms, cottages, the Ox Barn restaurant, Meadow Spa, our village pub The Swan, Cookery School, cocktail bar The Baa, kitchen garden & farm.

We are looking for skilled and enthusiastic bartenders to come and join our lively team to help create a great experience for guests visiting the Baa bar and the Ox Barn bar.

Knowledge of cocktails and wine is desirable, but we know that we have a particular approach to hospitality, so we will provide training. Our drinks menus are inspired by our kitchen garden & farm, and the wild spaces at Thyme where so many of our ingredients are gathered, so an interest in botanicals is important.

You must be enthusiastic and love interacting with guests. We are a unique destination and as such, we have a wide range of guests, so an easy rapport and great people skills are essential for this role.

Please note that we are in a rural location so your own transport is essential.

Job Types: Full-time, Part-time

If this sounds like the role for you, please email your CV and a covering letter to recruitment@thyme.co.uk. Please state why you would like to join the team and what your experience could bring to Thyme.
