## Spa Host

---

Thyme is “a village within a village” set within 150 acres of Cotswold countryside, comprising hotel bedrooms, cottages, the Ox Barn restaurant, Meadow Spa, our village pub The Swan, Cookery School, cocktail bar The Baa, kitchen garden & farm.

The Meadow Spa opened last summer and comprises Greenhouse reception, five treatment rooms, gardens, relaxation space, spring water swimming pool and later in the year a hot tub and hot house will open.

We are looking for a part time, weekend, spa attendant/host to meet and greet guests and assist with the day to day activities that a restorative and luxury spa involves. This could be anything from answering phones, checking guests into treatments, showing guests around, being on poolside, collecting and distributing towels, making drinks, liaising with reception and generally supporting the spa team.

This is initially a part time role for Friday, Saturday and Sunday, so being available for weekends is essential. The role is varied and you will need an eye for detail, be great with guests and you must have good verbal and written English. This is an ideal job for someone wanting a start in the Spa industry or someone looking for a move into the luxury sector.

Please note that we are in a very rural location so your own transport is essential.

If this sounds like the role for you, please email your CV and a covering letter to [recruitment@thyme.co.uk](mailto:recruitment@thyme.co.uk). Please state why you would like to work for Thyme and what your experience could bring to the role.

‘Our village within a village’  
Thyme includes our hotel, Ox Barn restaurant,  
Meadow Spa, Cookery School, The Baa,  
farm & kitchen garden, Tithe Barn private event space  
and village pub – The Swan
