Gardener

Thyme is “a village within a village” set within 150 acres of Cotswold countryside, comprising hotel bedrooms, cottages, the Ox Barn restaurant, Meadow Spa, our village pub The Swan, Cookery School, cocktail bar The Baa, formal gardens, kitchen garden & farm.

We are looking for an experienced Gardener who has the passion and enthusiasm to work in this beautiful Cotswold garden. The role is varied and includes all aspects of looking after a 150 acre country estate; day to day garden maintenance in the formal gardens, as well as growing fruit, vegetables and flowers. We also have sheep, chickens, ducks and bees, all of which are looked after by the garden team. If you are a very experienced kitchen gardener and would like to focus on growing, we would also have room in the team for a specialist.

We are looking for someone with gardening experience, with or working towards a relevant qualification (ideally RHS level 2 or equivalent).

Thyme can offer you excellent working hours in a very beautiful setting, along with great discounts within the business, 28 days holiday, pension and training and development. Please note that we are in a rural location so your own transport is essential.

If this sounds like the role for you, please email your CV and a covering letter to recruitment@thyme.co.uk. Please state why you would like to join the team and what your experience could bring to Thyme.
