

## Seasonal Treatments in Meadow Spa

*Thyme's 'love of the land' and Aurelia 'seed to skin' approach has led to the introduction of 'seasonal treatments' designed to replenish the body and mind from the effects of the changing seasons.*

### *Brighten & Purify Anti-Pollution Signature Facial* *Available exclusively at the Meadow Spa at Thyme this Spring*

*Introducing the new Signature Probiotic Facial featuring the coveted Brightening Anti-Pollution mask to help cleanse skin & eliminate pollutants.*

With the new Brighten & Purify Anti-Pollution Signature Facial, Aurelia Probiotic Skincare provides instant purifying results to boost cell turnover, eliminate pollutants and relieve dullness for brighter, replenished skin. The rich, whipped, probiotic treatment contains gentle oat extract to moisturise and calm, Arnica, to help soothe, firm and protect the skin and Calendula, Meadowsweet and Chamomile to improve the skin's texture. The treatment's soothing blend of Jasmine, Plumeria, Neroli and Mandarin will leave you relaxed and calm.

Including a back massage and body brush, this deep cleansing, purifying treatment effortlessly fuses results driven technology with ancient healing techniques. The treatment includes acupuncture, reflex points and shiatsu massage alongside Aurelia's scientific expertise and mindful elements, for a feeling of total relaxation and cocooning tranquility.

This treatment will bring you back to the present, helping you achieve your desired sense of self, increased happiness, self-esteem and wellbeing alongside radiant, balanced and beautifully glowing skin.
